2 TESALONICENSES 3:5

EPCIÓN EN EL MI

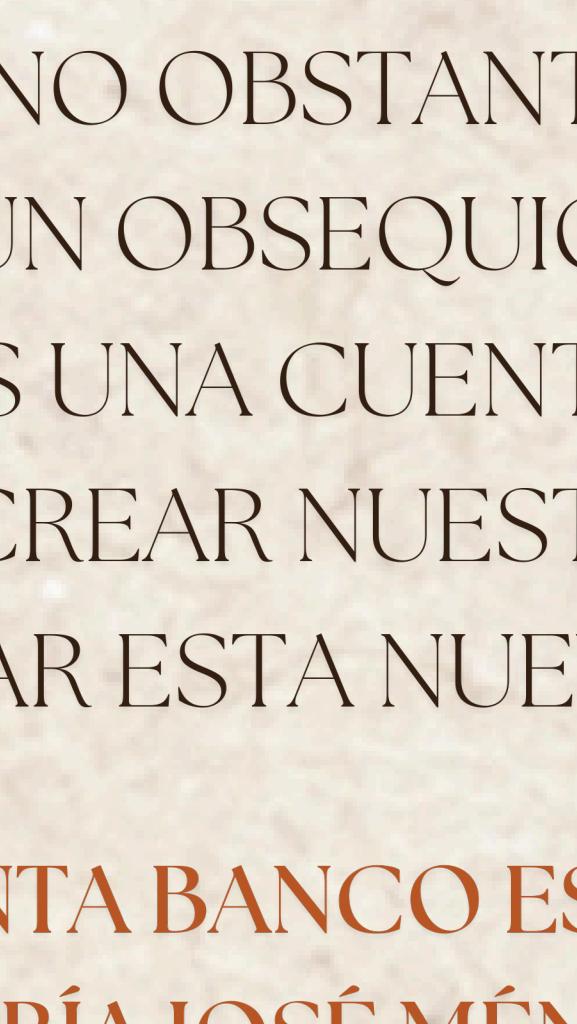

The banner features a light beige background with delicate, thin-lined botanical illustrations of leaves and flowers in shades of brown, tan, and cream. In the upper left corner, there is a cluster of stylized orange and yellow flowers. The main title, "VIRGINIA SUBERCASEAUX 1650, PIRQUE", is centered in the middle of the banner in a large, bold, reddish-brown serif font. Above the main title, the words "de la" are partially visible in a smaller, reddish-brown serif font. Below the main title, there is a simple, symmetrical graphic of a classical temple or pavilion with a triangular pediment and four columns, rendered in a reddish-brown color.

A stylized illustration featuring a large orange location pin in the foreground, a red bridge-like structure in the middle ground, and a red building with vertical stripes in the background, all set against a light beige background with flowing lines.
